I/We support all the Inquiry recommendations

€

I/We support Recommendation 1 - Local authorities must not be afraid to rationalise facilities where they are no longer fit for purpose or located in the wrong place

€

I/We support Recommendation 2 - Schools must be obliged to open the premises for out of hours sporting usage

€

I/We support Recommendation 3 - Greater research is required to understand the current location, condition and usage of facilities

€

I/We support Recommendation 4 - All new facilities, whether on school or community sites must include social space for players, spectators and others

€

I/We support Recommendation 5 - Voluntary and community groups must be more fully involved in facility provision

€

I/We support Recommendation 6 - Freely available outdoor space must appear more accessible

€

I/We support Recommendation 7 - Access to and maintenance of waterways must be improved
